Title: It’s On Us Iowa

Content:

It’s On Us is a movement to create an environment where perpetrators are held accountable, survivors are supported, and we call non-consensual sex what it is—rape.

Members of the campus community are invited to be part of the solution by taking the Iowa Pledge to End Sexual Assault on the following days:

- Tuesday, October 28th on the Pentacrest from 11am - 2pm
- Wednesday, October 29th on the T. Anne Cleary Walkway from 11am - 2pm
- Thursday, October 30th on the West Side EMRB Atrium from 11am - 2pm

Help us communicate that sexual assault is unacceptable. Join the It’s On Us at Iowa campaign, by liking the facebook page (https://www.facebook.com/groups/ItsOnUsIowa/), and following our twitter andinstagram accounts (@ITSONUS_UIOWA).

Show your support from your student organization, co-curricular, or athletic team by taking a group photo about why you pledged “It’s On Us” followed by your group/organizations name. Post the photo on social media and be sure to use the hashtag #whyisigned.

For more information, please email itsontusiowa@uiowa.edu or visit our website at http://itsonus.org.uiowa.edu/.

Remember: It’s on us, all of us to end sexual assault on our campus. We have the power to determine the kind of community we want to be at the University of Iowa.
