    - Anna: we have interviews for the new senators this week. There is a spot open on the safety and security PCC so email me if you want to sit on it.
  - President and VP
    - President Mills: Regents have a monthly newsletter that you can sign up to receive. It’s good to stay updated with them because they have the most power on campus. There are also 6 meetings a year each with a student leader breakfast. LeaderShape Apps are open. We also want to thank you for all the work that you’re doing.
    - VP Henry: For the UISG accessibility project, it makes a guide on how to run for UISG. So, people actually have something in front of them that can help people run especially if they are not in the organization.
