STUDENT SENATE SESSION

November 5th, 2019

A.) Call to Order (7:00)

B.) Quorum Call – Roll Call

C.) Public Access (40 minutes)

✓ Dr. Maria Bruno – Executive Director of Belonging and Inclusion

✓ Adam Burghduff- Director of Finance

▪ Presentation – Adam Burghduff
  - We have reworked the entire funding guidelines and the request form for the funding. It’ll tell people if they have met what the guidelines immediately. We changed the appeal system and are working with SJC to make a three-tier appeal process. Make sure to read any finance legislation before senate and ask questions to make it go quicker during senate.

▪ Questions
  - Senator Heid: Can you talk about your auditing process?
    o Tonight, we are doing our first test audit. Senator McGovern made a new auditing process to make sure that the student organizations are spending their money correctly.
  - Senator Verry: With the liaison program, what do you want us to tell them?
  - Senator Roeder: Is contingency a problem for this year or will it also go into the next fiscal year?
    o It’s going to be something that’ll only effect this fiscal year.

D.) Old Business
E.) New Business

✓ S.S.B. #13- Constitution Updates

▪ Presentation – Senator Correa
  - This reflects all the changes in the constitution. Most of the changes were made to match the changes made in the bylaws.

▪ Discussion
  - Senator Heid: I think it’s really important that all of our documents look good and match. So, I will be in support of this legislation.
  - Senator Roeder: Call the previous question.
    ○ Seconded by Senator Drahos
