✓ ABTS Updates

- Presentation Sarah and Collin
  - We wanted to talk about what we did and what we passed during the winter conference. Did random internal things like create a strategic plan, bylaw review committee, conference planning changes, etc. Joined Today’s Student Coalition. Created identity-based caucuses. Encouraged and incentivized cultural competency training. Supported Safe Transfer Act, when people transfer due to sexual assault, it will be marked on the transcripts, so the administration knows. Recommended reaffirmation of protections for parenting and pregnant students given in Title IX. Advocated for a student seat on boards of regents/trustees. Commitment to climate consciousness and land acknowledgements at universities and at ABTS events. Support implementation of bereavement leave politics. Provide excused absences for caucuses and voting and religious observances during exams. Establish steps to help eliminate food insecurity. Created a Director of Diversity, Equity, and Inclusion on ABTS executive board. Moving forward we want to come up with ideas and important goals for the new Exec position and will be filled permanently in the summer.

- Questions
  - Senator Rodriguez: How will you be able to implement all of this while also doing what you’ve already taken on?
    - So right now, we do have a lot of steps for each of the action items. Also, many of these things are already in line with what ABTS is doing so we aren’t taking on too many new things.
- Senator Khassai: All these action items is that what is supposed to be finished in this administration or be passed on?
  o So, the stuff for big ten on the hill we want to be done by April but everything else doesn’t need to be done but we do want to make progress.
- Senator Rodriguez: How does the seasonal differ from the big ten on the hill?
  o The seasonal ones are at the various big ten schools
- Senator Heid: How much money does the SAF go to conferences?
  o The only thing they pay for is the flight and the conference fee. Around $5,000 has been put aside for the 3 conferences.
